THE HAMMER

FRIDAY, OCTOBER 25, 2024
ST. PAUL CURLING CLUB

The Hammer is returning for its 10th year! Since 2014, we've gathered professionals in the Commercial Real Estate Industry and related professions for a one-day curling tournament to raise money for Hearts and Hammers. To date, The Hammer has raised \$250,000 for Hearts and Hammers!

Hearts and Hammers is a nonprofit with a mission to provide exterior home improvement assistance for senior citizens, disabled adults and veterans or their surviving spouses. Through volunteerism and donations, the organization undertakes significant home improvements at no cost to the homeowners.

This networking event attracts hundreds of our industry's best and brightest as they gather to build their network. Sponsor the event and demonstrate your commitment to the communities we help build, with the people we love working with.
